Road safety hazards due to stray cattle

*54. PROF. VIJAY KUMAR MALHOTRA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the stray cattle have become a road safety hazard and number of road accidents have taken place involving the stray cattle in Delhi; and

(b) the concrete measures Government propose to take to deal with the menace and to assure safe driving on the roads?

THE MINISTER OF HOME AFFAIRS (SHRI S.B. CHAVAN): (a) Stray cattle on roads in Delhi are hazardous to traffic and sometimes do cause road accidents.

(b) There is a regular system of catching stray cattle to prevent them from becoming traffic hazard. The Municipal Corporation of Delhi impounds stray cattle u/s 323 & 418 of the Delhi Municipal Corporation Act, 1957. Inpounded cattle are retained in cattle pound for some time to enable the owners to get them released on payment of composition fee. The remaining stray cattle are put to public auction and those which remain thereafter are sent to Gosadans or Gaushalas.
